## Step 1 – complete the e-learning

Go to https://members.sls.com.au, login and click **eLearning** from the top menu bar, then **Login to eLearning** 

Click on training library on the left

Click View Courses under SLS – Skills Maintenance

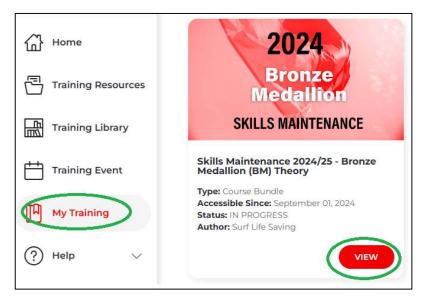

Click on Enrol for the appropriate award(s) you have

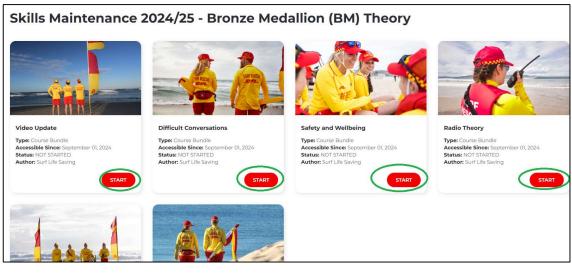

You will then be allocated the training under **My Training > Not started or in progress modules.** Click on **View** to view the modules for that award

Go through and click **Start** on a module to complete it.

- If you hold a Bronze Medallion you do not need to do the SRC, Observers Award, Radio Operator Certificate or Award Member course.
- If you hold a SRC you do not need to do the Observers Award, Radio Operator Certificate or Award Member course.
- If you have the Silver Medallion Patrol Captain this will be additional to the Bronze Medallion proficiency.
- For age managers please check with junior coordinators.

## Step 2 – enrol in a skills maintenance session

Click Training Event on the left
